## From the Editor

Dear Comberton,

What a truly lovely May! Such lovely weather, a plethora of bank holidays, and summer really feels just round the corner. We've been playing croquet at college non-stop in this glorious weather. Although, of course the approach of summer does mean the dreaded exams season is upon us. While you sit in your garden spare a thought for all those taking GCSE, A level and degree level exams in this sweltering heat.

There is such a wide variety of things going on this month, from celebration 5 years of the landlords being at the Three Horseshoes, to some very deep and interesting talks happening at St Peter's Church in Barton. Of course, don't forget the - what I'm sure will be excellent - concert at St Mary's at the end of this month.

Please do remember that we don't produce an August edition of the Contact, so if you have any events, announcements or articles to submit for August, make sure they are submitted by 14th June for the bumper summer edition.

Yours,

Chris

Comberton Contact Team

From Rev. David Newton

### ***Time***

A few months ago the grandmother clock, which sits in our hallway, stopped working. I managed to break something whilst winding it up one day and we had no clue how to fix it. It sat there reading 11.30 for months, until a very kind gentleman whom we know from the village came to have a look at it. He diagnosed a broken spring, went on the hunt to find a new one, and then proceeded to fit it for us - what a joy to have our clock chiming and going 'tick tock' once more.

The beautiful quarterly hour Westminster chimes are a delight, most of the time. Occasionally of course they stress me out as I realise that yet another 15 minutes has passed and so little has been accomplished.

Having the clock going again has got me pondering how I relate to 'time'. It is something I usually feel I am 'running out of' or that 'I have never have enough of' or that somehow I should even learn to 'make'. (If anyone learns how to 'make time' do let me know). I went to a training day recently all about Time Wisdom. It began with a critique of the whole field of Time Management.

Merlin Mann, who was the pioneer of many time management techniques, came to realise that all they enabled was an illusion of control and a ceaseless drive for efficiency where 'more' gets done, but with little thought to priorities or purpose. And so he began to change his message to encourage people to focus more on vision and values; on what really matters.

The key point of the session was that there is never time to do everything, and that hard choices will have to be made. Only then can we begin to live lives that are less frenetic.

It seems this kind of message is crucial in our society. We cram more and more in, we long to be busy so as to appear important, and in all the rushing can miss the important things in life - taking joy in relationships and the little blessings of each day. Time is not made, but comes to us as a gift - a 'present' if you like double entendre. It is a gift from beyond ourselves, in Christian terms - from God. It is not a scarce resource, but the basic gift for living well.

## From the Newly Elected Councillors

It's a great honour to have been elected as District Councillors for Harston & Comberton ward. Following the change to a larger ward of nine parishes represented by three councillors, we would like to take this opportunity to talk about how the three of us will organise our work as your district councillors.

But first, we'd like to pay tribute to our predecessor in Comberton, Tim Scott. Tim has worked really hard on behalf of Comberton residents over his time as district councillor and we know we have big shoes to fill.

Tim is rightly particularly proud of his role as Environmental Champion of South Cambridgeshire District Council and we hope to show the same consideration of the environment as we take on our new roles. We know who we will hear about it from if we don't! Tim is continuing to work for residents as a Parish Councillor, and we look forward to working with him in that role.

So, how is it going to work across the new ward? Our plan is to work as a team on issues in the ward: we will report to the parish councils as a team, as well as in village magazines.

We want you to feel comfortable that you can contact any one of us on any issue (you should be able to find all our contact details in this edition of the magazine). That said, we know that it's useful for the Parish Council in particular to have a single point of contact, and we have split that responsibility for each parish between us.

In Comberton, Ian will be taking the lead, and that role should mean he's more familiar Comberton issues if you need talk to one of us, but he won't be offended if you contact Phil or Tony! We hope this puts you at ease with the new arrangement, but if you do still have any worries feel free to get in touch.

As you probably saw, the overall political balance of South Cambridgeshire District Council was reversed in the recent elections. Previously, the Conservative group had a large majority, but now the Liberal Democrat group has 30 of the 45 seats. The new administration will officially take over at the Council AGM on 23 May – after the deadline for writing this.

The Liberal Democrat group leader, Bridget Smith, will become

## Comberton WI

Mental Health matters as much as physical health.

The NFWI urges all members to recognise the importance of parity between mental and physical health and to take action to make it as acceptable to talk about mental health issues as much as physical health issues, and to lobby government for better support for mental illness.

This resolution led to a lively and wide ranging discussion on mental health matters. The discussion led us to recognise that not just health professionals can be of real help to those with mental health problems, such as anxiety, depression and the often ensuing loneliness it brings. Often a kind word, an invitation to join in something or a listening ear can make such a difference.

The meeting voted unanimously to support that this motion goes forward to the NFWI Annual Meeting and subsequently to Government. We also resolved to do all that we can on a personal level to give help wherever we find the opportunity.

We were particularly delighted to have very positive contributions to the discussion from two visitors to our meeting who had a real interest in such matters and worked with people with conditions.

After the serious discussion we lightened up with wine and nibbles.

## Barton Guides Needs New Leaders

Following the retirement of two Leaders, the unit is being run by 2 students at Cambridge University, and a rota of parents.

Girlguiding provides training and mentoring for all Leaders, and a section-specific program for the girls.

There are currently about 20 girls in the Unit, from 10 to 14 years old, and two Young Leaders, aged 16. No previous guiding experience is necessary, the training is free, and there is plenty of support available. A sense of humour and fun is useful, and it is a very rewarding volunteering experience.

The girls' parents are extremely supportive, and help to run camps and other events. The unit attends camps and other activities in conjunction with other Guide units in our district.

In July 2017, 21 Guides camped in Belfast, and an activity camp in Brentwood, Essex, is planned for late July 2018.

Many girls and their families from Barton, Haslingfield, Comberton, Coton and surrounding villages have happy memories of their time in Barton Guides through the decades, and it would be very sad to have to close the unit.

For further information please contact Amy Bland (1stbartonguides@gmail.com) or the District Commissioner, Nadine Santus (toftdistrictguides@hotmail.co.uk)

Come and join us for an evening, if you would like to see what happens on a weekly basis and discuss the longer term planning.

## Parish Council Cont

During the public session, one resident complained regarding parking on the verges in Hillfield Road and requested more bollards and signage. Another resident complained about dogs on the Recreation Ground. Both of these matters have been referred to Working Groups to bring a recommendation to a future meeting.

The Parish Council agreed to work with Comberton United Football Club to upgrade the Pavilion.

Anglian Water have responded to the Parish Council's recent letter as follows:

"Thank you for your query regarding frequency of tankers attending Comberton Village in the period starting 13th March 2017 until present.

I have checked with the relevant department, there has been work on-going at Comberton Bush Close throughout the period identified. Unfortunately the database records the tankers work in are in an hourly format and will not specifically identify the number of loads or visits made. As a consequence I have spoken to the contractors who have attended sites to identify an approximate number of

movements per day, totalling 272 vehicle movements. I would stress that this figure is an estimate based upon the information that I was able to gather."

The Parish Council agreed to use some of the Leach Homes funds to clear some of the ditches/watercourses on Thornbury.

The Parish Council will be appointing a solicitor to take forward its complaint to South Cambridgeshire District Council regarding the Bennell Farm S106 agreement.

The Parish Council thanks all residents who attended the Annual Parish Meeting. The meeting gave residents the opportunity to hear about the work of various organisations in the village and the meeting asked that the Police and Crime Commissioner for Cambridgeshire be invited to attend next year's Annual Parish Meeting. This meeting will be held in April next year, should you wish to attend.

## Life Matters

A series of talks during June 2018 at St Peter's Church, Barton 7.00 pm

***Monday 4th June – Professor Luigi Gioia, OSB  
'Say it to God'***

Luigi Gioia is the Research Associate and Development Officer at the Von Hügel Institute, based at St Edmund's College, Cambridge. At 18 he joined the monastery in Italy, then spent 19 years in France, during which time he completed his doctorate in Oxford, became an abbot in Rome, and Professor of Systematic Theology at the Pontifical University of Sant'Anselmo, Rome. He is the author of *Say it to God*, the Archbishop of Canterbury's Lent Book for 2018.

***Thursday 14th June – Revd Dr Malcolm Guite  
'Song and Sonnets'***

Malcolm Guite is a poet-priest, Chaplain of Girton College, Cambridge, and travels round the UK and to the US and Canada to give lectures, concerts and poetry readings. He was born in Nigeria, earned degrees from Cambridge and Durham Universities, and was ordained in the Church of England in 1991.

He teaches in the Cambridge Theological Federation and also plays in the rock band, Mystery Train.

***Monday 25th June - Dr Javid Abdelmoneim  
President of Médecins Sans Frontières UK***

Javid Abdelmoneim was born in the UK, trained at University College London and from 2008 he worked overseas with Médecins Sans Frontières in Iraq, Haiti and other countries. His work during the Ebola epidemic in Sierra Leone led him to being featured in a Panorama documentary, and last year he presented the BBC series *No More Boys and Girls*, in which a primary school, under his guidance, experimented with gender-neutral language and activities.

## Willingham Craft Beer Festival

At the end of June, the Ploughman's Hall in Willingham will be the venue for a Craft Beer Festival that promises to bring over forty beers and ciders, plus gourmet food trucks to Willingham.

The Bank Pub along with a small committee of volunteers have lent their expertise to the organisation of this event. It is being run as a community event and based on previous experience (they organised their first beer festival last year) they anticipate to attract upwards of 1500 people through the gates.

The main sponsor of the event is Uttridge Accounting Ltd with additional sponsorship coming from Cambridge Medical Communication Ltd (both Willingham based businesses). Because of the generosity of its sponsors, the event expects to raise a significant sum from entrance tickets that can be donated to local charities.

The organising committee would like to support both the Over Day

## Do You Need Someone To Talk To?

Are you stressed or anxious? Perhaps life or work is getting you down.

Talking to someone who really listens in a kind, confidential and secure setting can help you understand what is causing you to feel the way you do. Counselling can give you the time and space to find solutions and new directions.

## Heidi Allen MP for South Cambs Newsletter

It's been another busy month, so I'll try and give you a flavour of what I've been up to!

On the 10th April, I was honoured to join the Prime Minister when she visited Addenbrooke's Hospital. Theresa May spoke to staff, learnt about our pioneering cancer research and treatment work and also launched a £75 million nationwide fund to improve research into innovative ways of combatting prostate cancer. I am so proud of the hard-working, dedicated commitment of our NHS staff and the Prime Minister's visit showed how important Addenbrooke's is, not only to us locally, but also at a national level.

The Prime Minister was briefed on the hospital's wish to build a cancer hospital on the campus. This would both develop our world leading reputation for cancer diagnosis and treatment and also free up valuable space for more general hospital work. The Prime Minister grasped the potential of the proposals and I am pleased to report suggested I discuss the proposals in more detail with her special advisor. I'll keep you posted!

April also saw the Health Minister Lord O'Shaughnessy visit Royal Papworth Hospital. I invited him so he could hear from the world-leading experts there and see the innovative work that they undertake. Papworth are seeking sustainable funding for their DCD (donation after circulatory death) transplant programme – that's essentially the use of hearts which would not traditionally make the grade. Lord O'Shaughnessy left impressed and promised to follow up to see what might be possible.

And now for something completely different and less welcome!

In the last few weeks, we have seen a large number of travellers take up residence on land on the A505 at Thriplow. Although increased powers are now available to local authorities to deal with unauthorised caravan sites, the Government is reviewing the powers available and looking at what more needs to be done. Unauthorised encampments continue to be an issue locally and I hope that you can spare a few minutes to take part in the consultation -

## Heidi Allen MP for South Cambs Newsletter Cont

Supporting local communities is an important part of my role in South Cambridgeshire and in the last month, I have been pleased to support a number of local events and campaigns, including prize giving at the Cambourne 10k run (thank goodness they didn't make me do it, I'd be hopeless!) and meeting with residents in Stapleford who are campaigning to see The Tree public house turned into a community asset (I have more skill here!)

This month sees a new timetable for Great Northern trains and I know that many of you contributed to the train timetable consultation last year. The result is a new timetable from 20th May onwards which affects all Great Northern routes. Every train, from every station has been changed with the intention of providing a more reliable service for passengers and increasing capacity. Details of the changes are available here - <https://www.railplan2020.com/>

Although I am pleased the operator listened to the majority of concerns raised by residents (and the original proposed timetable generated a lot!), there are still some services from

Royston and Ashwell and Morden which require further attention. I will continue pushing for these amendments and will keep my website updated with progress.

Keeping with the theme of transport, I have been coordinating efforts with stakeholders to ensure a viable future for the Whippet X3 service which serves Cambourne, Papworth and the surrounding area. Working with Whippet, Royal Papworth, Astra Zeneca, Addenbrooke's, the County Council and Greater Cambridge Partnership, I am very hopeful that some kind of sustainable service to benefit everyone can be preserved. Again, I will keep you updated.

If there is anything you would like to talk to me about, I will be holding a "by appointment" surgery at my Sawston constituency office on the 18th May between 1pm and 3pm. If you would like an appointment, please give my office a call on 01223 830087.

I will be holding my next "drop in" surgery on the 9th June between 11.30am and 1.30pm at The Plough Public House, St Peters Street, Duxford, CB22 4RP where no appointment will be necessary. Details of all upcoming surgeries

## Cambridge Open Studios

Cambridge Open Studios has announced the 2018 dates for its month-long summer art event, which will feature an exciting range of exhibitions by 350 artists at 221 locations in the city and surrounding areas.

Artists will open their doors to the public over four weekends in July. Among the huge range of specialisms will be: fine art, photography, pottery, glass making, sculpture, illustration, textiles, jewellery and furniture making, and more besides.

The weekends are: July 7/8, 14/15, 21/22 and 28/29. Studios are open to visit between 11am and 6pm.

However, as not all artists will exhibit every weekend it is important to check the website, or refer to the famous yellow guide. These guides will be widely available in local outlets including libraries, tourist information sites, galleries and selected shops.

### **Getting around**

New for 2018 is a partnership between Cambridge Open Studios and ofo bikes. The partnership came about to help visitors hop between studios in central Cambridge without any traffic and parking problems using the handy bicycles for hire. With a code printed in the COS yellow guidebook, visitors will be able to claim five free one hour ofo bike rides – just the ticket for travelling between city centre locations.

### ***There's an app for that***

Cambridge Open Studios now has an app to help visitors find exactly what they are looking for and plan their days out. You can search by the artist's name, medium (painting, pottery, glass etc.), and location.

There's also a button that suggests studios to visit nearby. So it's easy to find exactly the kinds of work you want to see and to work out a route around a particular area. The app will be available to download by mid-June for Apple and Android.

This year there are 87 venues to visit in central Cambridge and Grantchester and a further 134 venues in the wider Cambridgeshire area – including a large cluster of studios in Ely.

Marion Curtis, board member of Cambridge Open Studios, said: "This is a fantastic opportunity for members of the public to see artists at work, discuss their inspirations and techniques, and to browse, purchase or even commission their work.

"It's wonderful that this year we have the ingenious phone app that allows visitors to find any workshops to suit their tastes and location.

It couldn't be easier to make a day of visiting a selection of studios. And now you don't even have to bring the car to see city centre venues because our visitors can use the ofo bikes for free.

"As always, visitors are guaranteed a warm and friendly welcome at all the studios - and no pressure whatsoever to buy anything. All Cambridge Open Studios are completely free to visitors of all ages."

Find out more online  
The studios are spread throughout the whole region, not just in the city centre. As usual, the distinctive yellow COS flags will be out to identify participating studios.

In the months leading up to the open studio event, many artists will be running workshops, courses and exhibitions. Members of the public can keep up to date on their activities via the COS website ([www.camopenstudios.co.uk](http://www.camopenstudios.co.uk)) or by following them on Facebook, Twitter and Instagram using @CamOpenStudios, where they can also follow specific artists.
