## From the Editor

Dear Comberton,

Football, tennis, cricket. There seems to be an inordinate amount of sport going on at the moment. Even if you haven't been lucky enough to get tickets to Wimbledon, or Russia, there is still the chance to watch - as I did the other weekend- some excellent sport right in Comberton. The Comberton Cricket Club are on excellent form at the moment having won the last two Saturday matches. Home matches takes place on the recreation ground.

Of course there is more than sport taking place over the summer months. There are holiday clubs for the young, and the young-at-heart, arts and craft shows, church fetes, open gardens and much, much more going on in this wonderful village.

Whether you have the time to be outside most of the time this summer, or you'll be stuck in an office, I do hope you'll find a chance to appreciate the beauty tht we have around here in this glorious part of the world.

Yours,

Chris

## Friends of St Mary's

The FOSM have not disappeared, but we are holding our breath! Restoration work on the Church will start in early July and take about 10 weeks. The cost is much greater than predicted.

Will the Grant applications to ChurchCare and South Cambs DC Community Chest for the maximum allowed (£10,000 and £1,000 respectively) be successful?

Will the application by the Parochial Church Council for a Grant (£3575) to restore the Church Organ be successful? This organ is our Village World War Memorial. The PCC hopes to have it restored in time to celebrate the Centenary of the Dedication of our Organ - on the 1st August 2019.

We shall know if we have been successful with these applications in early July.

Please don't forget to support us by visiting the 'Comberton Open Gardens' on the weekend of 7-8th July.

Please support the Friends with donations – or by giving your time. Our fundraising efforts continue.

Contact David or Jane Hughes – 01223 263355 - to learn more about how you can help.

PS. Perhaps we will see you at the St Mary's Church Fete on 27th August as well?

### Comberton WI

This month Comberton hosted a Group Meeting at which we were joined by 3 other WIs. The other Group members are Hardwick, Eltisley and Croxton, and Caldecote.

On these occasions the host WI tries to have a rather special speaker and topic. As it is the 70th anniversary year of the NHS we chose to have Hilary Ritchie, archivist, who spoke most interestingly and with some delightful anecdotes on the History Of Addenbrooke's Hospital.

Secretaries from the attending WI's reported on the activities and events which their members had experienced in the past year. It is really good to have an insight into what other institutes are doing.

As it is the WI refreshments have to be somewhat special at these meetings and it was decided to create the effect of a really good afternoon tea. There was a selection of delicate sandwiches, scones with cream and strawberries, meringues and cakes and a variety of other light nibbles. Members provided some really attractive china for serving the refreshments.

Three competitions were held for members to enter and prizes were provided. One of the competitions was to create a small flower arrangement to celebrate the 70th anniversary of the NHS. Some delightful entries were made. A raffle was held, this helps to raise money which provides some support towards funding these meetings.

Children will be able to have fun exploring a map of Beanotown, solve clues and collect stickers to find the mysterious buried treasure and become an ultimate mischief maker! All children who read six books to complete the challenge will be presented with a certificate and medal. Registration to take part begins at the library on Saturday 14th July, so do bring your children along to sign up from that date.

We will be holding our special Summer Reading Challenge sessions in the library throughout the summer holidays; full details will be available on registration. In addition, this summer we are delighted to be holding some special events in the library alongside the Summer Reading Challenge. Please do make a note of and come along to the following activities:

## Comberton Allotments & Gardens Association

### ***Plant Sale – Saturday 19th May - 10.00 am - Playschool***

A big thank you to all those who supported our Spring Plant Sale on 19th May; we had plenty of stock but were slightly down on customers probably due to a certain wedding organised on the same day! Profits were good but just a little bit down on 2017 and will go to help fund the Autumn Show.

Surplus stock was passed on to the Church for their sale the following weekend.

### ***Summer Barbecue – Saturday 14th July 6.00pm ‘till late***

Our Summer Barbecue is held on the Long Road allotment site; the event is limited to 40 people and tickets are £5 – for full details or to reserve your place phone Quin on 264410.

### ***Autumn Show – Saturday 15th September- Meridian School***

When the next issue of Contact hits your doormat in September the Autumn Show will be almost upon us. Time to think about pictures for the photography classes whilst you are out and about this summer.

The subjects for this year's show are; for the 3 adult classes:- 'Art in the Garden'; 'Boats' and 'Reflection' and for the childrens' class - 'My Best Friend – Animal or Toy'. As always we encourage a wide interpretation of the subject.

### ***Handicraft***

There are 14 classes for adults and 12 for children covering a full range of skills – so plenty of time to work on those drawing, crafting or needlework items before 15th September.

Full details of all the Show Classes will be in the Show Brochure delivered to your door around the beginning of August.

### ***Best Kept Allotment Competition***

A reminder that the 2018 Competition will be judged on the South Street site only, so a challenge there for all the plot holders.

## Heidi Allen MP Newsletter

It's been another busy month in Westminster and at home! Much of my time has been, and continues to be, devoted to bringing about improvements to the Govia Thameslink Railway (GTR) debacle which has led to so many constituents being severely inconvenienced by the changes to train timetables in May.

As you will know from previous newsletters, I liaised regularly with GTR and constituents in the months leading up to the timetable changes. But despite assurances from GTR that they were ready for the big switchover, they spectacularly failed to deliver on go live day (20th May) which has resulted in large numbers of constituents having their journeys cancelled or badly affected.

Within a few days of the difficulties becoming apparent, I met with GTR. I wanted to know what had gone so badly wrong and what they were going to do to put it right. The assurances they gave that we would see rapid improvement failed to materialise.

On the 4th June, I raised the issue with the Secretary of State for Transport, Chris Grayling during an Urgent Question in the House of Commons and on 5th June, met with Rail Minister, Jo Johnson, GTR senior

management and a representative of the local Rail Users Group. I stated in unequivocal terms that GTR had to get a grip, restore reliability to the services, improve their poor communication and prepare to provide compensation, including specific compensation for additional costs being incurred by constituents.

I followed up by writing to the Rail Minister and GTR to summarise the actions I am expecting to be delivered and will be monitoring their performance very closely. To read more detail on what I have been doing, my letters and for up-to-date information, please see the dedicated page on my website  
[www.heidisouthcambs.co.uk/gtr](http://www.heidisouthcambs.co.uk/gtr)

In other news, last month I visited the children's ward and intensive care unit at Addenbrooke's Hospital. The staff do such a fantastic job but have been struggling to fill some of their vacancies because of limits on the number of visas which can be issued to doctors applying from overseas. Although it is welcome that the Government has announced five new training hospitals with the aim of making the NHS self-sufficient in terms of staffing by 2025, we need doctors

## Do You Need Someone To Talk To?

Are you stressed or anxious? Perhaps life or work is getting you down.

Talking to someone who really listens in a kind, confidential and secure setting can help you understand what is causing you to feel the way you do. Counselling can give you the time and space to find solutions and new directions.

## Heidi Allen MP Newsletter Cont.

now! You may have read in the press that the letter I wrote to the Prime Minister, the Home Secretary and Secretary of State for Health, with the support of signatures from colleagues appeared to do the trick! As I write this, we have literally just heard the news that doctors and nurses will now be exempt from this “Tier 2” visa system. An absolutely brilliant result!

On a warm June Saturday afternoon, I was pleased to attend Hinxton’s Village Fete. Nothing quite signals that Summer is here more than a tombola and dodgy bric-a-brac purchase! My husband Phil and I were transported back to Tudor times.....anything for a good cause! I’ll no doubt be at a few fetes over the Summer, so if you spot Phil and I, do come and say hello.

On the 8th June, I visited Cottenham Fire Station to see the pass-out parade for the young people who had taken part in the Firebreak course.

This excellent project uses fire service drills and crew culture to develop team working skills and increase self-esteem and confidence in youngsters. The fire crew who ran it, talked

passionately about the transformation they had seen in their students over the course of the week. Well done to everybody who took part!

The last month has also seen me continue my quest to visit all schools in my constituency, with visits to Caldecote, Elsworth and Harston and Newton Primary Schools. It is always such a pleasure to meet South Cambridgeshire’s children with their fresh, ambitious young minds and the hard working staff who are developing those minds despite the daily funding pressures I know they face.

If there is anything you would like to talk to me about, I will be holding a “by appointment” surgery on the 6th July (3-5pm) at The Hub in Cambourne. If you would like an appointment, please give my office a call on 01223 830087. My next “drop in” surgery will be on 4th August (11am -1pm) in Steeple Morden where no appointment will be necessary.

In the meantime, if you would like to contact me, please email [heidi.allen.mp@parliament.uk](mailto:heidi.allen.mp@parliament.uk) or call my office on 01223 830037.

See you next month!
