## From the Editor

The days are starting to have an autumnal feel with chill mornings and leaves collecting untidily the garden. But even as we head towards October we often enjoy warm sunny days as well, and the day of the Comberton Show was just such a day. I hope you managed to see the variety of produce and handiwork on display - if you missed it there are a few pictures on the front and back of this edition.

Once again I'd like to appeal for new content and new contributors - remember this is your magazine produced for your village and it needs your input and ideas to sustain it.

## **Comberton Adult Mixed Keep Fit**

Every Tuesday evening 6.30 to 8.00pm in Comberton Leisure Sports Hall.

Adult Mixed Keep Fit sessions have resumed their normal programme at CB3 sports hall.

A typical session includes warm up and aerobic exercises (each 15 minutes) followed by circuit training and basketball (each 30 minutes). The cost is £2.50 per session.

This is a self-managed friendly group with no pressure to perform, we work at our own pace: no music or shouted instructions.

The group has been going for over 30 years now, originally in Comberton Village College gym and now in the spacious accommodation of Comberton Leisure's sports hall. Some of our members date back to the early days, showing how beneficial regular exercise is.

Come and see for yourself what we can offer or come for a free taster session.

Get back to your pre-Covid fitness with the Keep Fit group!

## Village Pond Update

The pond is a central and much-loved feature of the village and over the years has had various working parties involved in maintaining it. The most recent pond working party was created in October 2020 to organise maintenance of the pond and to resolve the longstanding issue of water retention. Various investigations have taken place and reports have been drawn up to develop a solution. There may be an issue with the water source and blocks in the drains, which is being further investigated. The clay puddling has been damaged, leaving about 50-80cm of silt. Most recently, the pond has become overgrown and in need of a tidy up. This year has seen a good number of ducklings and moorhens born, but it is concerning to see them without enough water.

At the recent September Parish Council meeting, it was agreed that remedial work needed to the pond must be carefully timed, to use the window of opportunity whilst the pond was empty while minimising disruption to wildlife.

A sum of money from the Parish Council has been set aside to carry out this work. The job was far too large for a team of volunteers, so professional pond contractors have been approached to clear the deep layer of silt and remove the overgrown vegetation. The job is likely to include the temporary removal of the island to facilitate the setting down of a strong pond liner. Some of the vegetation will also be reinstated or replaced.

We hope that the village will once again enjoy the asset of a beautiful pond, that is well cared for whilst retaining the wildlife.

A couple of past pictures from 1953 and 2017 to inspire everyone!

Comberton CC finished 6th in the Cambridgeshire Cricket Association Junior 3 West Division in 2021 winning 8 and losing 8 games. There were numerous close and exciting matches that were decided only in the final over. We welcomed several new and returning players to the club this year and it was great to enjoy a full season of cricket.

27 games in total were played including friendlies and midweek games. We hope all who have both played and watched this summer have enjoyed it. A big thank you must go to Ken Gifford and Tom Preece for preparing the square and organising the teams each week.

If you would like to join us at nets this winter or play some games in 2022 please check out our website <https://comberton.play-cricket.com> and get in touch with us!

THURSDAYS. 4 PM TO 6 PM.

COMBERTON BAPTIST CHURCH.

### Comberton Celebrates.....

Following our very successful Comberton Celebrates Easter and Spring, earlier this year, it is planned to 'Celebrate Remembrance/Poppy Day' in November by having a display on the Playgroup Fence of all things that remind us of this special time. They could be knitted, stitched or crocheted Poppies, poems, drawings, photographs, really anything appropriate that can be displayed, and a time again that Comberton residents, young and older can come together to share and celebrate in this way.

So, let's get creative and make this a lovely display of Remembrance arts and crafts in the centre of our village that can be enjoyed by many people.

Our thanks again to the Playgroup for letting us use the fence and items can be attached there from the beginning of November.

### 'Military Wives'

**Wednesday 20<sup>th</sup> October,  
doors open 7.30pm film starts 7.45pm  
tickets £4 on the door**

Inspired by real events and from the director of 'The Full Monty' (Peter Cattaneo), **Military Wives** is the heartfelt story of friendship, love and support on the home front. When Kate (Kristin Scott Thomas) persuades a disparate group of women on the base to form the Military Wives Choir, Lisa (Sharon Horgan) is initially sceptical and embarrassed by such an amateur bunch. However she is quickly transformed by the choir's friendship, humour and courage. Finding their voice together Kate, Lisa and the choir put aside their own personal differences and, by singing their hearts out, bring joy, hope and strength to the world.

# **East Anglian Air Ambulance**

## **Ongoing Fund-Raising**

Regular readers of this magazine will be well aware of the operation of East Anglian air Ambulance and its role in saving lives across the region, and sometimes beyond. In the last issue I reported on the 30th June landmark of achieving true 24/7 capability – by RRV and now, at last, by helicopter. A lot of people, not least of which our crews, support staff and you - our ‘on the ground’ supporters, have put a huge amount of effort into this. However, having now been operating at this level for three months the message remains the same – we need to encourage support wherever it can be found.

The Covid 19 pandemic has stretched our Nation’s financial resources to an extent probably never before seen outside wartime – and now playing ‘catch-up’ ! EAAA too needs to replenish reserves through continuing to draw upon the generosity of everyone – individual and corporate.

Wherever you are employed, please ask the question – if we have a ‘charity fund’ please can we support EAAA through it? And if you don’t why not start one with us?

On the personal front – please keep on dropping your small change into the Red Collection Boxes at lots of tills – if your shop does not have one ask for the retailers support, and please let me know. I’ll do the rest.

Also if you are over 18, why not sign up to our Weekly Lottery – each ‘chance’ is just £1 per week.

An increasingly important ‘income stream’ is from ‘Gifts in Wills’. If your major benefactors are your family please seek their support in this endeavour but, whatever your circumstances, please include East Anglian Air Ambulance in your beneficiaries – please.

One last note – EAAA is always looking for new volunteers and now is a good time to become involved. To find out how you might help to make a difference please do contact – [www.eaaa.org.uk/volunteer](http://www.eaaa.org.uk/volunteer), or email [info@eaaa.org.uk](mailto:info@eaaa.org.uk), or telephone 03450 669 999.

Together – We Save Lives.

## **Anthony Browne MP**

Over the last year, I have been emphasising to the Environment Agency the water shortages in South Cambridgeshire. Therefore, I welcome the news that South Cambs has officially been designated a water stressed area. We need new, innovative thinking to overcome this serious issue and I look forward to participating in conversations to find a solution. I am, however, greatly concerned by plans to build 49,000 new homes in our area over the next twenty years, quite literally doubling the size of Cambridge. This is simply not sustainable and risks putting our local environment and resources in danger.

I had a productive meeting recently with the Mayor of the Combined Authority. Amongst other things, we discussed the importance of reliable on-road buses and the potential impact of East-West Rail's preferred route on South Cambs.

As we come to the beginning of the new school year, I have been working with my parliamentary colleagues in Cambridgeshire to lobby for additional funding for local schools. I am delighted our efforts have resulted in such substantial increases. Meridian Primary will receive an additional 4.4%, taking their funding to £ 4,409 per pupil for the coming school year, whilst Comberton Village College has received a further 3.4%, taking their funding to £5,751 per pupil. I know it has been a challenging time for many students and it is fantastic the Village College and Meridian Primary are both able to return to pre-covid teaching. I wish all of you starting at school the best of luck.

# New Year Resolutions...

As a teacher September is a time for New Year resolutions. The lovely weather and increased freedom since I have returned to school has spurred me on to try and regain my fitness and lose weight. A few weeks ago I enjoyed open water swimming in Milton Pit. Lots of ladies my age are enjoying the adrenaline rush that you get swimming outside. By going to the swimming session you are part of a group swimming in water that is actually warmer than you expect. Initially I planned to do one 400m circuit but I kept going because everyone else was and managed 2 laps. I went the following weekend and hope that I can inspire myself to go again. It reminded me of how much I enjoyed parkrun which had at that point not started. From Comberton we have a choice of Wimpole or Storeys as local events. I consulted the physio I was seeing about whether parkrun would be a good idea. He glibly said 'When did you last run?' my answer was 2 years ago. He instead suggested trying to use the Couch to 5k App. Thinking about this I realised I do not exercise well on my own. I was then inspired to try the Nextdoor App to get some running friends. This was a week ago and last night I was doing my second session running around the Recreation Field with 2 new running partners. It was fabulous to be out in the evening light and seeing it illuminate the fields in the distance.

So fingers crossed I will keep to my new resolution and be able to do a parkrun in the future. Has anyone else tried something new they can share with Comberton Contact?
