## A MESSAGE FROM THE EDITOR

It is with a sense of shock and sadness that I have to tell you of the death of Brian Cook only a few weeks after the death of his wife, Margaret. He died unexpectedly in his home on Friday 16th October. This is a huge blow to his family and to the village. Brian was Chairman of the Village Hall Trustees. At the moment details of his death are not known and there are no funeral arrangements yet. Brian will be greatly missed by the community for which he did so much.

I am grateful to the Comberton Allotments and Gardens Association for allowing me to set up a charity stall at the Annual Show, to sell Queen of the Night cactus plants. I was able to send £60 to the Marie Curie Cancer Care.

**St Mary's**  
CAMBRIDGE

[www.stmaryscambridge.co.uk](http://www.stmaryscambridge.co.uk)

Rooted in tradition but forward-thinking, St Mary's was built on the vision of a 17th-century woman who had the audacity to believe that girls could do anything. We couldn't agree more.

For more than 100 years, St Mary's has been helping girls build the confidence they need to thrive. We focus on the whole girl – giving her the solid foundation she needs to successfully navigate today's rapidly changing global landscape.

From academic and extra-curricular activities, to leadership building and charity work, St Mary's celebrates the individual, challenges the mind and ignites the spirit.

*Dear Gail,*

I am writing to you regarding the issue of Broadband Speeds and how this affects your Parish.

I am concerned that South Cambridgeshire does not benefit from fast broadband and that this is putting businesses and others who require internet access at a significant disadvantage. I have, following contact with several of my constituents, been informed that many homes have connection speeds which are significantly below the Governments recommended minimum connection speed of 2MB.

I would be grateful if you could inform me, as to your knowledge, if, and to what extent how, slow Broadband speeds are affecting people in your Parish.

If it would be convenient, could you convey this request via any Parish e-mail alert or in a Parish Newsletter, asking those affected to write to me at the below address or to email me via [lansleya@parliament.uk](mailto:lansleya@parliament.uk).

*Yours truly,*

Andrew Lansley

**This is a month for remembering. On the morning of November 8th we have the annual British Legion Remembrance Sunday service, as we remember with gratitude people have served in our forces and especially those who gave up their lives in the service of the country. The next Sunday, November 15th, there will be a service to remember all those we have lost, whenever they died and whether or not they are buried in St Mary's churchyard. Everybody is welcome to come, to light a candle, to remember those they have loved, and to seek God's comfort.**

**It is also a month of celebration! We praise God with all the saints in glory on the first Sunday of the month, and look forward to our Christingle service at the end. Everybody is very welcome, even if you have not been to church for a long time. November 22nd is a joint churches service when Christians from all over the area will be worshipping together. Our preacher is Bishop Graham Cry - not to be missed.**

# NEWS FROM THE MERIDIAN PRIMARY SCHOOL

Opportunity - Creativity - Challenge

Excellence for All

You may remember my cryptic comment at the end of last month's contribution concerning improvements to the school environment. I am delighted to tell you that we have been awarded £7015 by the Big Lottery Fund to convert our disused swimming pool into The Habitats Garden. Clearing work has already begun and the area (which is part walled and part fenced and about 14m by 20m) is looking better already. The work has to be completed within the year, as part of the Big Lottery requirements, so we are moving very quickly

The garden will have a variety of habitat areas in it – for example, a bog, a meadow and a dry area – as well as lots of habitat boxes for wildlife, and a pleasant seating area for humans. We are particularly keen that the garden should be for the benefit of the whole community and intend to open it for visits to a wide range of groups.

As well as the Big Lottery funding, our PTA have very kindly earmarked £1000 for plants, and we have used our supermarket vouchers to obtain lots of nestboxes, bee houses and butterfly homes. The Eco-Action Team are, of course, thrilled by this development and have decided that it will be one of their major projects towards the Silver Eco-Schools Award.

Also on an eco-theme, our Harvest Competition this year is to make a doll-sized scarecrow out of recycled materials. If it's anything like previous years, entries will be of an extremely high standard. Judging the competition is a role usually reserved for governors – and I have to say I don't envy them this particular job! This year, as part of our Harvest celebrations, we are collecting for the charity Seeds for Africa, which helps schools in Africa both by teaching children how to cultivate crops, and providing seeds and fruit trees. Our children, in turn, will learn about this work during a special assembly.

The week beginning 16 November once again brings the national focus on anti-bullying. Our children in KS2 will experience a morning of drama workshops on the theme (funded by the PTA), and the School Council will consider an anti-bullying charter which, once agreed, will be prominently displayed.

Next month I will, no doubt, be telling you about Christmas preparations!

Glennis Virgo,

Headteacher

## CAN YOU HELP?

Meridian Primary School PTA:

Please have a sort out and bring any unwanted clothes, shoes & bags, curtains or material to Comberton Meridian Primary School 16th - 18th November. Donations can be left in black sacks inside the school gates.

We greatly appreciate any donations which help us fund fun trips and activities for the younger members of our community.

Many thanks from Meridian School PTA

## COMBERTON CANTABILE'S CHRISTMAS CONCERT

will be at ST. MARY'S CHURCH on SUNDAY 6th DECEMBER at 6.30 p.m.

The first half will be the usual mix of carols and some readings but the second half will consist of relevant extracts (solo and choral) from the 'Messiah'. If any member of the audience has performed this do bring your score and join us in singing the 'Hallelujah' chorus: it should make a lively ending.

## COMBERTON ANTIQUARIAN SOCIETY

The Society meets on the fourth Tuesday of each month in Comberton Village Hall.

Meetings start at 8.00pm Each meeting consists of an illustrated talk by various speakers on a wide selection of topics.

At the next meeting on 24<sup>th</sup> November the topic of the talk is :

The 17<sup>th</sup> Century – Change and Innovation in the English House. The speaker is Alan Eade.

In addition Social events and Outings to places of interest are arranged from time to time.

New members are very welcome. The subscription is only £7.

Alternatively non-members can attend meetings at a cost of £2 for each meeting.

If you would like to join the Society contact the Membership Secretary Sue Parker Tel.

01223 207344 or just turn up to one of the meetings.

## COMBERTON FRIENDSHIP CLUB

Thursday October 8th was the AGM of the Comberton Friendship Club. The existing committee were voted back to run for another year, with the additional help of another of our members, Pat Day, who will try to arrange some day trips in 2010. The coffee morning sale held on September 12th raised £350. This will go to the Village Hall itself to help towards the cost of the air conditioning. Members are reminded the November to March meetings start at 2 o'clock.

## COMBERTON WI

Our October speaker was meant to be Dr Carrie Herbert, founder of the Red Balloon Learner Centres. However, Dr Herbert was visiting potential new premises in Liverpool and so her colleague, Ruth Ably came in her place.

Dr Herbert had researched bullying at schools and realised that a number of children were so severely bullied that they stopped going to school and were missing out on their education. She initially set up the first Red Balloon centre in her home in Cambridge and was able to take up to 15 secondary age pupils. In 2003 the 'school' moved to new premises in Warkworth Terrace but has remained small. Children are encouraged to develop strategies to overcome bullying and build up their self-esteem. They are also given the opportunity to learn in a safe and friendly environment. The Red Balloon Centre aims to return children to mainstream education as soon as possible.

The Cambridge model has been so successful that other Red Balloon Centres are being set up around the country, the latest in Liverpool.

## COMBERTON HELP SCHEME

With regret, the Help Scheme Committee has decided that the Mobile Warden Scheme is no longer viable. This was a difficult decision after operating successfully for 15 years but the number of clients has fallen in recent months to a level that grant applications cannot be justified. We would like to thank everyone who has supported the Scheme in the past, particularly the Parish Council, SCDC, the Cambridgeshire Community Foundation and the four wardens.

This has no impact on other aspects of the Help Scheme; in particular there is no change to the Volunteer Car Scheme which remains as busy as ever. If you feel you might be able to offer occasional lifts we would be pleased to hear from you. (Expenses are paid) More information from Gill Redman 262246 or Joan Wells 262746.

The Help Scheme Annual General Meeting will be held at 8pm on Thursday 12<sup>th</sup> November in the Meeting Room, Comberton Village Hall, followed by a glass of wine.

Everyone welcome.

## COMBERTON ALLOTMENTS & GARDENS ASSOCIATION

### The Comberton Show 2009

A fine autumn day welcomed over 200 people to the Comberton Show 19 September. This was the culmination of much hard work from the committee members of the Comberton Allotments & Gardens Association who organize the show each year. Over 700 exhibits were catalogued and displayed, including vegetables, fruit, flowers, cookery, wine, handicraft, and including 250 pictures by children. The head Gardener at Wimpole Hall, Philip Waite presented the Cups and Awards.

## **LAWN CARE IN NOVEMBER**

**Aeration** Soil compaction is a frequent cause of turf deterioration and moss invasion. For optimal effectiveness the lawn needs aerating in autumn/winter. Over sow additional grass to help any bare areas re establish before weed and moss do!

**Fallen leaves** Leaves should be cleared away as they fall. If left for more than a few days, then grass may become damaged. Compost the leaves and then use on borders etc.

**Worm Casts** This month will probably see the appearance of worm casts (small mounds of earth brought to the surface by worms). Treatments can be applied to stop the casts occurring in the first place.

**Disease** With damp dewy days ahead diseases such as fusarium can kill patches in your lawn. If you see white mould or dead patches please call us for an accurate diagnosis as it may need treating with a fungicide.

**Moss** Moss will start to encroach now and it is advisable to treat now before it competes with the lawn.

### Actions required in November

- Aerate lawn if conditions allow
- Remove fallen leaves
- Brush off worm casts (or treat the cause of the problem)

## Sessional Youth Workers Needed

Are you willing to put your time and effort into helping young people? Do you have an evening or more a week to spare? We are currently looking to increase our staff of sessional youth workers ready for the introduction of the second bus in January 2010. You will need to have had some experience of working or volunteering with young people but training can be given. Venues will be in South Cambridgeshire with sessions usually 7-9pm. Pay scales start at £8.90 per hour.

Job description and application form available on the project website or contact Alan 01223 232978 [admin@connectionsbusproject.org.uk](mailto:admin@connectionsbusproject.org.uk) [www.connectionsbusproject.org](http://www.connectionsbusproject.org).

## Bus Drivers Needed

Any bus drivers interested in helping us out. Our insurance policy has changed meaning that any new drivers have to be PCV qualified or have received 15 hours training from a PCV instructor. Commitment need only be once a fortnight.

Conservation and was surprised to find that only 2 had been spotted in the Cambridge region during the fortnight to mid-October, the other was seen in Shelford. This has been a vintage year for painted ladies in Britain with millions arriving in May. In contrast, the newspapers now reveal that winter has come early in the northern hemisphere. Huge snowfalls have occurred across North America already, snow arrived in Poland killing 4 people, and in Austria at the ski resorts in southern Styria, the slopes are open to skiers for the earliest start on record. It remains to be seen what will happen in Britain. For me these news reports are always a reminder, that at the first sign of snow in Europe, I should bring all my frost tender plants indoors and cut the dahlia flowers for the last vase of the year.

### Tidying and taking stock

November is a good time to clear away unwanted plants from the garden and make way for the spring bulbs to show through without any restrictions. This can be a lot of hard work and for those with joint problems, take your time, a couple of hours a day may be enough to get most of the heavy work done. It is good to rake leaves off the lawns frequently to stop wet clods of leaves forming and creating bald patches on the grass. If plants have not performed up to expectations, be ruthless and think what would be more appropriate. Deciduous hedges can be cut back and thinned out if they have become overgrown. Replacement plants are always a bit of a worry, what should we choose? This is where a gardener's diary comes in handy for referring to notes and plant names that you have come across during the year. Where possible, go for bold plants that can make a statement.

### New trees

Winter is a good time to plant small trees since most young trees go into a dormant state for the winter. Be sure to water in, given that the ground has been dry this autumn. Use a good strong stake to attach the tree to; fix the tree with flexible and expandable straps to allow the trunk to grow without constriction. I have mentioned before that my favourite winter flowering tree is *Prunus subhirtella* 'Autumnalis'. It is suitable for very small gardens and opens its pale pink flowers from November to the end of March. Shrubs present a good choice for November. *Viburnum tinus*, with white clusters of small flowers that age to pale pink, is good value and can be a mass of flowers through the winter. The flowers also have a honey scent and can be cut for a Christmas display. The other group of shrubs that are of great use in the winter months are the Mahonias; try *M x media* 'Lionel Fortescue' or 'Charity' for good spikes of yellow flowers with dramatic evergreen leaves and a nice scent.

## ONE VOICE SINGS AT THE FESTIVAL OF IDEAS 2009

University of Cambridge & Anglia Ruskin University

Saturday 24 October at 7.30pm

Anglia Ruskin Drama Centre Covent Garden (off Mill Road) Cambridge CB1 2HR

Vocalist Anne L Ryan presents a vocal theatre performance exploring song from lamentation to love. Featuring the world premiere of *The Necessary*, a vocal work reflecting on the recession ... so far!

Tickets: £6 (£5 concessions)

Booking 0845-196-3826 or  
[festivalbookings@anglia.ac.uk](mailto:festivalbookings@anglia.ac.uk).

[www.movingtone.com](http://www.movingtone.com) is grateful to

Anglia Ruskin University Arts Council for assistance in funding this performance.

One Voice Sings comprises a programme of song, with vocal works written, arranged and performed by Anne L Ryan. She is joined on this occasion by Stuart Russell, electro-acoustic sound composer. Together they have composed *The Necessary*, a light-hearted vocalised reflection on the current recession, offering a little gentle advice for posterity.

Anne L Ryan is a charismatic singer whose influences draw on various modern and world musical styles, composed and improvisatory. She produces performances of profound intensity that can be deeply meditative as well as highly enchanting. Her captivating singing is a celebration of the power and versatility of the human voice. Inspired by the sean-nós of her Celtic roots, with neatly tempered world and new music influences, she sings both a cappella and with accompaniments – electro-acoustic soundscapes, quartz crystal sound bowl, spatial sonics and acoustic instruments.

Stuart Russell is a composer, who writes for digital media and live musicians. His influences include a mix of rock and classical composition, combining pre-recorded electronics with live instruments. A graduate in fine art, he studied musical composition privately. He finds the indistinguishable line between painting and music brings a keen awareness of tone, colour and visual landscape to his compositions.
